## POPULAR STUDIES

*Our studies work as great and unique gifts for anyone!*

### FEAR & ANXIETY

This powerful study digs into God's Word to guide you or a loved one to see what God says about fear and anxiety. You will learn how to combat fear and anxiety through the power of His Word, and to no longer be slaves to fear.

### ESTHER

Esther is an incredible story in the Bible, and this journal is an encouraging gift for Christmas. The story reminds us that God is always working, and we learn there is no such thing as "coincidence." Though God may seem distant, even absent at times, He is present. God is always with us and at work in our lives.

### JESUS OUR EVERYTHING

This study journal is designed to help women grow in their faith. As you or a friend study the book of Hebrews, you will find the only possible response to Jesus: faith. He has graciously saved us by His grace. Living a life of faith is not easy, but we can rest with the confidence that we will spend eternity with Him.

### IN JESUS YOU ARE...

This study is a wonderful present for anyone! As you go through this study it's a great reminder that no matter how we define ourselves, our identity in Christ remains the same. He has rescued us from sin, delivered us from darkness, and redeemed us from shame.

### RUTH

If you or a loved one ever experienced loss, loneliness, or difficulty, then you can immediately identify with the book of Ruth. While Ruth begins as a story of heartache, it doesn't stop there. Mourning turns to kindness, boldness, acceptance, love, and redemption. But ultimately, Ruth is a book about the providence of God.

### THE GOSPEL OF MARK

The Gospel of Mark is a powerful account of the life of Jesus. It displays the character of Jesus on every page, from His willingness to suffer and serve to His power and deity miraculously displayed. With every scene the author asks, "Where is your faith?" As we read and study the Gospel of Mark we can't help but answer this important question.
